Revolution in the WASH TUB

In the house where PYLE'S PEARLINE is used the wash tub is no longer the fountain of drudgery, backaches, pains, sickness, bad temper and upset households. The rubbing and straining process of loosing the dirt wrecks the woman and the clothes, and, at the end of the wash day, life seems hardly worth living. Not so where PEARLINE does the work—that's just it, PEARLINE does the work for you—does it better and quicker, and without rubbing; hence, without the wear and tear to yourself or your clothes.
Warranted harmless. Millions use it. Sold everywhere.
Beware of imitations. JAMES PYLE, New York.
